

Goals *and* Objectives

Satisfy Curiosity: Lifelong Learning

- Create learning opportunities with strategic partners to maximize Library and community resources
- Develop programs to engage and connect residents across cultures and ages
- Partner with volunteers, local groups, and businesses, to increase awareness of library resources and activities, and create potential programs
- Maximize, streamline, and invest in systems, processes, and technologies to provide each user a great library experience

Create Young Readers: Early Literacy

- Maintain an age-appropriate pre-literacy collection for children from birth to 5 years old
- Provide specialized computer stations and software geared toward young children
- Increase awareness of parent-teacher collections
- Partner with community organizations for early literacy initiatives
- Highlight early literacy resources to schools, daycare centers, and early literacy agencies
- Promote early literacy resources and programs in-house, Online, and through media outlets

Stimulate Imagination: Reading, Viewing, and Listening for Pleasure

- Build diverse collections of materials in a variety of formats
- Provide exposure to new subjects through programming with hands-on activities linked to library resources
- Conduct or partner to provide book discussion groups

Understand How to Find, Evaluate, and Use Information: Information Fluency

- Provide reliable, equitable access to public computers, software, and high-speed Internet connections and technologies
- Assist the people of Escambia County in developing the skills to find, evaluate, and use information
- Encourage discovery and promote information literacy

Be an Informed Citizen: Local, National, and World Affairs

- Be a community information hub providing citizens the information and access needed to make informed decisions
- Promote community engagement and collaboration through displays, guides, and postings to the library website and social media

Discover Your Roots: Genealogy and Local History

- Expand genealogical and local history collections
- Continue programming to capitalize on Escambia County's unique history and culture
- Encourage living connections between past and present

Strategic Plan

West Florida Public Libraries | 239 N Spring St., Pensacola, FL 32502
(850) 436-5060 | mywfpl.com

Vision: Be the heart of our diverse community, where everyone is welcome to learn, discover, create, and connect.

Mission: Engage all community members in meaningful exploration, learning, and fun by providing equitable access to a wide range of resources, programs, equipment, and services.
