Giant's Garden

July 15, 4:00 - 5:00 PM

"The Selfish Giant's Garden" is a 35 minute retelling of Oscar Wilde's famous fairytale about a giant who learns it's never too late to share. The production features lathe-turned wooden marionettes. The puppet's simple wooden surface is left so children can use their imagination. The hair is made of rope, the eyes of shiny brads. The string puppet children are round and smooth while the Giant is boxy and rough. The musical show contrast selfishness and sharing. How does a Selfish Giant learn to share?
